

PFNonwovens Group is committed to meeting or exceeding the expectations of our customers. We will achieve this by promoting awareness and attention to quality, environment, energy management and safety with assessing and managing risks in all aspects of our operations with following listed commitments:

Compliance: To comply with all applicable legal requirements, regulatory standards, and other obligations the organization subscribes to.

Business Partners: Focusing on building long-term relationships and mutual respect with responding to needs and providing exceptional service.

Continuous Improvement: Continuous improvement of the integrated management system to enhance overall performance and effectiveness.

People: To continuously develop the skills and increase the motivation of all employees.

Quality: Achieving and maintaining high-quality standards and integrity of products.

Environment & Sustainability: To prevent pollution and minimize environmental impact with reducing waste and carbon footprint.

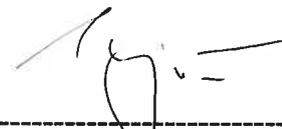

Energy: Continuous improvement of energy efficiency, purchase of energy-saving products and services, proposal of activities considering improving energy efficiency. Ensure the availability of information and resources needed to achieve objectives and energy targets.

Health and Safety: Providing a safe and healthy working environment and preventing work-related injury and ill health.

This Policy is binding and available to all employees of **PFNonwovens Group**, it is communicated, understood and applied. It is regularly reviewed by company management for adequacy and effectiveness and is available to interested parties on the company website.
